

Department of Veterans Affairs

§ 3.59

Northern Mariana Islands. The term *veteran* includes, for the purposes of this paragraph, a Commonwealth Army veteran or new Philippine Scout as defined in 38 U.S.C. 3566.

(2) *Adopted child of living veteran.* A person residing outside any of the States shall not be considered to be a legally adopted child of a veteran during the lifetime of the veteran unless all of the following conditions are met.

(i) The person was less than 18 years of age at the time of adoption.

(ii) The person is receiving one-half or more of the person's support from the veteran.

(iii) The person is not in the custody of the person's natural parent unless the natural parent is the veteran's spouse.

(iv) The person is residing with the veteran (or in the case of divorce following adoption, with the divorced spouse who is also a natural or adoptive parent) except for periods during which the person is residing apart from the veteran for purposes of full-time attendance at an educational institution or during which the person or the veteran is confined in a hospital, nursing home, other health-care facility, or other institution.

(3) *Adopted child of deceased veteran.* A person shall not be considered to have been a legally adopted child of a veteran as of the date of the veteran's death and thereafter unless one of the following conditions is met.

(i) The veteran was entitled to and was receiving for the person a dependent's allowance or similar monetary benefit payable under title 38, United States Code at any time within the 1-year period immediately preceding the veteran's death; or

(ii) The person met the requirements of paragraph (e)(2) of this section for a period of at least 1 year prior to the veteran's death.

(4) *Verification.* In the case of an adopted child of a living veteran, the requirements of paragraphs (e)(2)(ii), (iii) and (iv) of this section are for prospective application. That is, in addition to meeting all of the requirements of paragraph (e)(2) of this section at the time of initial adjudication, benefits are not payable thereafter for or to a child adopted under the laws of any

jurisdiction other than a State unless the requirements of paragraphs (e)(2)(ii), (iii) and (iv) of this section continue to be met. Consequently, whenever Department of Veterans Affairs benefits are payable to or for a child adopted under the laws of any jurisdiction other than a State, and the veteran who adopted the child is living, the beneficiary shall submit, upon Department of Veterans Affairs request, a report, or other evidence, to determine if the requirements of paragraph (e)(2)(ii), (iii), and (iv) of this section were met for any period for which payment was made for or to the child and whether such requirements will continue to be met for future entitlement periods. Failure to submit the requested report or evidence within a reasonable time from date of request may result in termination of benefits payable for or to the child.
